Inauguration of 'Jyotirmay' Parisar

From The Vice Chancellor's Desk.....

It gives me an immense pleasure in penning this message from the desk of the Vice Chancellor of the university. Our Honourable Prime Minister Shri Narendra Modiji says, "21st Century is the century of knowledge. Knowledge, Science and Education will have the power and strength to embrace the entire universe."

In achievement of any goal, the milestones play vital role. Today where the University stands, past Honorable Vice Chancellors have played very significant roles. The former Vice Chancellor Dr. Manoj Soni's contribution is quite praise worthy as during his tenure the university earned it's own building functioning from 'Jyotirmay', it's own campus.

Education has played a significant role in the growth of our nation. But it was felt that to make education reach to the lower strata of people was difficult. So the idea of distance education came in to existence. Distance education enhanced the opportunities in the field of higher education and made it accessible for all. Dr. Babasaheb Ambedkar Open University has emerged as a pioneer university to provide education to all. The university provides open and distance learning experience to the students seeking degree, diploma and certificate courses. Qualitative Counseling sessions at the study centres duly backed up by student support system facilitate the university to cater to the needs of our dear students. The university has made an arrangement to make reach material of the students at their study centres. The course content is prepared and developed by the subject experts across the nation to provide proper guidance to the students.

Dr. Babasaheb Ambedkar Open University wishes the collaboration with the entire nation and the society at large and reach to the doorstep of the aspiring students in every nook and corner of the state. Quality, Flexibility, Accessibility and Accountability are the pillars of strength for Dr. Babasaheb Ambedkar Open University.

Mudra - Dhyamantra : Arthboddh

The circular form of the print is a symbol of seed, uterus or sun. From which the creation begins. The concentrated load is above the source-self.

There is a kind of brilliance in the seam posture, but at the same time, it has an open space for enlightenment. The liquidity in posture indicates 'variability' and extended extent; which features Dr. Babasaheb Ambedkar Open University.

Swadhyayah: Paramam Tapah:' - 'Swadhyayah is the highest penance'. It is the basis of the review. We have to bring the tools and the inner strengths we have to make progress in life and to bring out the noble goals.

'Swadhyayah: Paramam Tapah:' - 'Swadhyaya is the highest penance' And 'jivanpanth ujaal' - There is a common element in both the formulas; Which is represented by a flame. Flame-like representation, light, longing, knowledge, and vision.
