23-04-2026

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is entered on 23 April,2026 by and between:

(i) Information and Library Network Centre (herein referred to as "**INFLIBNET**"), an autonomous Inter University Centre of UGC, Govt of India is located at Gandhinagar, Gujarat- 382007

(ii) Dr. Babasaheb Ambedkar Open University, Jyotirmay Parisar, S.G. Highway, Chharodi Ahmedabad-382481 herein referred to as "University")

University and INFLIBNET are referred to individually as **"Party"** and collectively as **"Parties".** All parties have reached the following broad areas of cooperation & collaboration intent.

WHEREAS INFLIBNET Centre, an Inter-University Centre of the University Grants Commission of India under Ministry of Education, Govt. of India undertakes activities and services that include automation of academic libraries and information centers, providing access to subscribed and open access e-resources, e-content, ranking of institutions, development of web applications to facilitate scholarly communication and maintenance of bibliographic and non-bibliographic database, hosting of soft copies of PhD Theses, providing anti plagiarism tools (PDS) etc.;

AND WHEREAS Dr. Babasaheb Ambedkar Open University, Jyotirmay Parisar, S.G. Highway, Chharodi Ahmedabad-382481. It was founded in 1994 through a legislative act passed by the Government of Gujarat. Upholding its core vision of "Education for All," the university remains committed to delivering inclusive education.

In 2023, BAOU was officially brought under the framework of the Gujarat Public Universities Act following approval by the Hon'ble Governor of Gujarat on 25th September 2023. The university operates from its modern headquarters, the 'Jyotirmay Parisar', located in Ahmedabad. Its extensive reach is reflected through Nine Regional Centres and over 300+ Learner Support Centres across Gujarat.

As the sole Open University in the state, BAOU has played a vital role in advancing higher education, enrolling more than 3.5 lakh learners over the past three years. Its accessible and flexible academic structure removes traditional barriers of age, geography, and time, offering more than 111 academic programmes, including Ph.D., Postgraduate, Undergraduate, Diploma, and Certificate programmes.

The university has earned A++ accreditation from the National Assessment and Accreditation Council (NAAC) in its very first cycle, with a remarkable CGPA of 3.55 on a 4-point scale. This makes BAOU the first and only university in Gujarat, and the only State Open University in India, to achieve such a distinction.

INFLIBNET CENTRE AN IUC OF UGC GANDHINAGAR

Dr. Babasaheb Ambedkar Open University Ahmedabad

Further, BAOU has been recognized as a Category-I institution under the UGC (Categorization of Universities for Grant of Graded Autonomy) Regulations, 2018. It is authorized by the University Grants Commission (UGC) to offer programmes through both Online and Open and Distance Learning (ODL) modes.

The university has also been granted 12B status under the UGC Act, 1956, highlighting its excellence in academic and research activities. Notably, in the India Rankings 2024 issued by the National Institutional Ranking Framework (NIRF) of the Ministry of Education, Government of India, BAOU secured the 3rd position among Open Universities in the country.

The university has been recognised as Awarding Body Dual Category (AB-Dual) by NCVET under the Ministry of Skill Development and Entrepreneurship, Government of India.

BAOU has been awarded with the 'Excellence in Institutional Social Responsibility' Award by the Federation of Indian Chambers of Commerce and Industry.

Dr. Babasaheb Ambedkar Open University is a premier open university committed to providing inclusive and equitable access to higher education through innovative teaching-learning processes and technology-enabled delivery modes. It aims to empower marginalized communities and expand opportunities for lifelong learning.

viii. **INFLIBNET Learning Management Service (ILMS)**

The Learning Management Service is one of the modes of learning which facilitate learners and teachers to execute the learning environment. The INFLIBNET Centre has been working as a facilitator for setting-up INFLIBNET Learning Management Service (ILMS) with pre-populated e-content developed under e-PG Pathshala and other available open access content with an aim to make all the e-content available to the academic and research community.

ILMS: Roles and Responsibilities

INFLIBNET CENTRE

- Shall implement / setting-up the ILMS using open-source software with functions and features that are expected in a modern day LMS on university server.
- Shall customize the ILMS (look & feel, theme, banner and logo);

INFLIBNET CENTRE AN IUC OF UGC GANDHINAGAR

Dr. Babasaheb Ambedkar Open University Ahmedabad

- Shall integrate, on request basis, course content developed under e-PG Pathshala (700+ PG courses);
- Shall provide help manual / video tutorials for its stakeholders;
- Shall provide one day training on mutual consent;
- Shall provide hosting facility of ILMS on charge basis, if university is unable to provide the server;
- Shall provide self-paced course, in-built with ILMS, to the University.
- Shall provide maintainance service on charge basis.

UNIVERSITY

- Shall provide server, pre-requisite configuration, to set-up ILMS
- Shall obtain sub-domain name with "ILMS. university name"
- Shall create / enrol users and its management
- Shall create course content as per university requirement
- Shall keep regular back-up and hardware related responsibilities.
- Shall provide the locally developed content, on mutual consent, to INFLIBNET Centre to host on open access platform, developed by the INFLIBNET Centre.
- Shall not claim the ownership of the e-content as it developed under e-PG Pathshala and released under CC-BY-SA license that provides flexibility in accessing the content.
- Shall not hold the INFLIBNET Centre responsible for any ambiguity in the e-content made available in the ILMS.
- Shall request to provide hosting facility (charge basis) of ILMS to INFLIBNET in case of non-availability of server at University.

ix. Indian Research Information Network System (IRINS)

It is web-based Research Information Management (RIM) service developed by the INFLIBNET Centre. The portal facilitates the academic, R&D organisations and faculty members, scientists to collect, curate and showcase the scholarly communication activities and provide an opportunity to create the scholarly network. It has integrated with academic identities such as ORCID ID, Scopus ID, Research ID, Microsoft Academic ID, and Google Scholar ID to ingest scholarly publications from various sources.

IRINS: Roles and Responsibilities

INFLIBNET

- Collect and curate all the faculty information including personal information, affiliation, educational qualification, honour & awards, academic identities, etc;
- Create a separate instance for all the participating institutes with department and University / Institute profile;
- Hosting IRINS with subdomain and regular update on the application;

INFLIBNET CENTRE AN IUC OF UGC GANDHINAGAR

Dr. Babasaheb Ambedkar Open University Ahmedabad

- Nodal officer dashboard to manage the faculty profile for each University / Institute with various features and functionalities;
- Conduct user awareness programme to the faculty members and nodal officer to implementation of IRINS;

UNIVERSITY

- Shall provide all the faculty information in the prescribed format
- Coordinate with faculty members and INFLIBNET Centre on data collection and update;
- Responsible for the all the faculty profile information
- Create awareness about the IRINS to the faculty members
- Supports the faculty members to create the profile and update it as and when required
- Generate report from nodal officer dashboard based on publications, citations and social media metrics;
- Responsible for correctness of the faculty information and their scholarly communication activities;
- Shall allow INFLIBNET to provide the basic metadata of experts to regulatory bodies / government entities of the country as required by them.

SHODHPRABHA

- The platform aims to provide a centralized digital repository for all universities and colleges to upload and update details of their published and granted patents, while also making accessible a curated database of the last 10 years of academic patents.

INFYMEET

- The platform is to provide a single-window digital interface where all higher education institutions (HEIs) can publish details of their upcoming conferences, seminars, workshops and symposia.
- Researchers, faculty members, and students can easily browse, register, and collaborate through this unified system.
- It is integrated with ShodhChakra which helps scholar to publish their research work in respective conferences and workshop.

4. RELATIONSHIP

This MoU between the INFLIBNET Centre and University on principle of Service Provider (INFLIBNET Centre) basis and nothing in this MoU shall constitute or deemed to constitute a partnership between any of the Parties hereto and none of them shall have any authority to bind the others in any way.

5. TERMINATION

Both parties will have rights to terminate this MoU at any time in case of breach of obligations and terms and conditions of the MoU. The MoU signed hereunder may be terminated by either party upon thirty (30) days prior written notice.
