‘GARGI- Centre for the Holistic Development of Women’ Research Project - 2026

Gargi - Centre for the Holistic Development of Women' works for all-comprehensive development and empowerment of women focusing on women's education, employment, extension and excellence. Here, women from different strata of the society will be enrolled to begin their journey towards success. Girls and women of all ages, with different social and economic background such as sex-workers, Trans-genders, physically challenged, widows, tribal, rural, and urban women will engage themselves with the Centre and witness a positive transformation in their lives.

This Center deliberately works for the growth and development of female. The topic of the project must be female-oriented; hence the researcher will get the grant of 25000/- rs. The topic of the research must be female oriented by the female researcher. The soft copy of the project must be sent to Google Form Link: <https://forms.gle/UxTXPE6rnxnYYASg7> on or before **04/06/2026**

Guidance for the Proposal of Research Project

- The purpose of this scheme is to help women writers to publish their work. Only female, female oriented and transgender feminine gender is invited under this research project scheme.
- Any female post-graduated in any subject from any recognized University is eligible to apply for the Research proposal.
- The writing of the research project has to be completed within six months after the proposal of the project is approved.
- Scrutiny and selection committee will approve all the research projects under the funding of Rs. 25000. After the approval of the proposal Rs. 5000 will be released. After the completion of minor research project, the researcher has to submit the hard binding copy at Dr. Babasaheb Ambedkar Open University. The Committee will evaluate and review the project. The grant of Rs. 20,000 will be released only after the affirmative approval of the Scrutiny Selection Committee.

- The research Proposals as well as projects topics must be related with female either female oriented research will be encouraged.
- The research project should be women oriented and should be written by a woman researcher only.
- The titles of the research projects must be related with the mainstream purview of females.
